

3 - Four Patch

From each assorted light print and each assorted dark print, cut: 4—2" squares.

Pair two matching light print 2" squares with two matching dark print 2" squares; sew together. Press the seam allowances toward the dark print squares.

Join the pairs to make a Four-Patch block. Press the seam allowance in one direction. The block should measure 3 ½" square, including the seam allowances.

Make 20 Four-Patch blocks.

(You will need to cut 2 extra Four-Patch blocks of your favorite light/dark combination.)
